

Conservation Volunteers Needed

**We need your help
to protect and care
for the MapleCross
Coastline Reserve!**

Boo to Buckthorn!

Where: MapleCross Coastline Reserve | Milford, Ontario

When: October 31 | 10 a.m. – 2:30 p.m.

Invasive buckthorn has been giving us toil and trouble, so come help us slay this sinister shrub to ensure that the native plants and birds continue to flourish at MapleCross Coastline Reserve. Physical activity includes walking one kilometre over uneven terrain, as well as bending, cutting and pulling motions.

In the spirit of Halloween, volunteers are welcome to wear orange, something Halloween-themed or a simple costume that they can move in and are okay with wearing while working outdoors.
